Dear Richard

Thanks for your email. Hope you're well too.

In order to allow some additional time for the company to take advice, our client would be willing to wait until 9:00 am on Friday, 21 July 2023 to have a response to our letter.

Noting that the letter was sent on 7 July 2023 (almost a week ago), we expect that should provide the company with enough time to indicate whether it *intends* to produce the documents / information in due course, or not (i.e. noting that is not a deadline for production itself).

Please let us know if we can be of any assistance in the meantime.

Kind regards

Bryan

Hi Bhav and Bryan

Hope you are both well. There's a tight turn around requested in this correspondence and we are going to need time to engage counsel on this new matter. Can you give us until next week to come back to you. I can firm up on timing later this week once we speak to counsel.

Kind regards

Richard Murphy
